

BOOKS ON WHEELS REGISTRATION

I want to receive, free of charge, books (regular and large print), audio books, music CDs and DVDs with my Meals on Wheels deliveries. This program brings the services of the Chemung County Library District (CCLD) to my door and features:

- Three of any of the above three formats may be borrowed at any one time.
- Loan periods are:
 - Fiction and nonfiction books—28 days.
 - DVDs--7 days.
 - Audio books and music CDs—14 days.
 - All above items except DVDs can be renewed twice.
- Patrons can choose titles from many favorite categories, including general fiction, action-adventure-thrillers, mysteries, romance, science fiction, fantasy, westerns and nonfiction in book, audiobook, music CD and dvd formats.
- Patrons are **fine exempt** but timely returns are expected.
- Patrons, however, **will be charged** for damaged and lost items that are borrowed by them.
- Patrons must hold a Chemung County Library District card.
- If you already have a card, please provide on line below the 13-digit number that appears on the back of your card (i.e. 1003200000111).

-
- If you do not have a CCLD card, please tell your Meals on Wheels delivery person or call your library at 733-9173 to receive an application.
 - Return this registration to your Meals on Wheels delivery person and the library will ensure that you receive your favorite formats and categories.
