The meeting was called to order at 6:00pm by President Richard Roberts. Present were Pat Silvernail, Georgia Reynolds, William Wehling, Bonnie Chollet, John Schamel, Michael Muldoon, Marge Kappanadze, Phyllis Rogan, Rachel Dworkin, Jim Hare, Tim Blandford and Jared Myers. Excused: Ann Hayes and Juan Jones. Also present were Ron Shaw, the Library District's Director and Joan Santulli, the Library District's Administrative Assistant and Conrad Wolan, CCLD's Attorney.

The meeting started with a presentation by Emma Howard, Library Clerk in the Juvenile Department at the Steele Library. She introduced herself and explained her job duties in the department which include planning and leading the Middle Makers & Lego Clubs, assisting in storytimes, Kinderbook visits, weeding projects, cataloguing and repairing library materials, supervising juvenile volunteers, assisting library patrons as well as many other duties. The board thanked Ms. Howard for attending the meeting and making her presentation.

Minutes. The minutes of the April 2016 meeting (Document #2016-25) were presented for board review. The minutes were approved as corrected by unanimous consent.

Financial Report. The April 30, 2016 Financial Report (Document #2016-26) was presented for board review. Mr. Schamel reported that financially CCLD is doing well. A question was raised as to the difference in the Library Materials budget line on the Financial report vs. the budget on the Book Budget report. Ms. Santulli will review both reports. By unanimous consent the April 30, 2016 Financial Report was approved as distributed and will be filed for audit.

Report of Unpaid Bills (Document #2016-27). Mr. Schamel mentioned that the list includes the 1st quarter Utility payment to Chemung County, a progress payment to the auditors and the second payment to Perry & Carroll for the Property & Liability insurance. By unanimous consent, the board authorizes the payment of the unpaid bills dated 5/10/16 – General Fund \$31,974.88 as distributed in writing. Ms. Santulli requested that an additional invoice be approved – Chemung Canal Trust Company in the amount of \$1,158.36 – to make a payment on the CCLD credit card which was maxed out due to the Continuing Ed Day and the Maker Expo. Ms. Reynolds moved, seconded by Ms. Dworkin to approve this payment to CCTC. VOTE: Unanimously Approved.

Correspondence. Mr. Shaw passed around a letter from a patron who stated that he appreciated the professional service given to him by the Tinker Lab staff; letters from the ARTS Council for Janet Ackerman (ST) and Michelle Barrett (WE) for displaying art during National Youth Arts month; and a letter from the ARTS Council thanking CCLD for the contribution made to their Annual Snapshot for Fiscal year July 2014 – June 2015.

Mr. Blandford and Ms. Chollet left at this time.

EXECUTIVE SESSION: Ms. Reynolds moved, seconded by Mr. Muldoon to go into Executive Session to discuss an employee. VOTE: Unanimously Approved. Ms. Reynolds moved, seconded by Ms. Dworkin to come out of Executive Session. VOTE: Unanimously Approved. Ms. Kappanadze left the meeting at this time.

President's Report. Mr. Roberts reported that the Auditors cannot attend the June meeting. The next two Library Board meetings will be held as follows: June 16^{th} – meeting in Van Etten and July 21^{st} – meeting at Steele. It appears as though CCLD will need to move from a cash accounting

system to an accrual basis for accounting. The auditors will be asked how to move forward with this process.

Board of Elections. Mr. Roberts, Mr. Hare and Ms. Rogan had another meeting with the Chemung County Board of Elections. Mr. Wolan, CCLD's Attorney, will write work with the Board of Elections to write up wording in our request to change the Legislation that both the County and the Library District board can agree to. It will then be submitted to the State for approval. If it passes, the County will continue to hold the CCLD elections, if not, CCLD will need to hold its own elections.

Foor & Associates has submitted a request for a progress payment. Mr. Muldoon moved, seconded by Mr. Hare to approve the payment of \$6,502.90 to Foor & Associates. VOTE: Unanimously Approved. The Committee has received \$1,000 donation from Wal-Mart, a \$1,000 donation from the Big Flats Community Fund and is waiting to hear from the Corning Foundation on a request for funding. Paving blocks from the library building to the pavilion still need to be installed and the Committee is looking at what furniture is needed to be placed in the pavilion. A ribbon-cutting ceremony will be planned once the project is complete. <u>Marketing Plan.</u> Mr. Shaw is working on having a formal document to distribute to the board at the next meeting.

Personnel Committee. CONSENT ITEM: Resolved by Ms. Dworkin, seconded by Mr. Muldoon that the CCLD Board of Trustees approves the Personnel actions as submitted in writing. VOTE: Unanimously Approved.

Mr. Shaw reported that the part-time clerk assigned to the Bookmobile will be off on Disability Leave for several weeks. He requested that he be allowed to hire a seasonal part-time Library Page to cover staff absences during the summer months. Ms. Reynolds moved, seconded by Mr. Wehling to approve the hiring of a temporary Library Page for the summer. VOTE: Unanimously Approved.

Old Business. The board commended Trustee Silvernail for taking the time to look for new sites for Bookmobile stops in Chemung County.

It was reported that the Montour Falls Library was asking voters for a 28% increase in funding.

New Business. Ms. Silvernail requested to know if the Southern Tier Library System was asking for volunteers from the board of trustees to serve on their focus groups for the STLS Plan of Service. Mr. Shaw will clarify and let the board know whether board members are invited to be part of the focus groups.

Plans for the Maker Expo have come together and it is expected that the event will be a fabulous success. The date for the Expo is Saturday, May 21st.

Public Expression. None

The meeting was adjourned at 8:42pm. The next regular meeting of the board will be held on Thursday, June 16th, 2016 at 6:00pm at the **Van Etten Library, 83 Main Street, Van Etten, NY 14889.**

Report of the June 1st, 2016 meeting of the Executive Committee of the Chemung County Library District:

Attending the meeting from the Executive Committee were Rachel Dworkin, Marge Kappanadze, Jack Schamel and Richard Roberts; and Ronald Shaw, CCLD management. Other board members in attendance were Jim Hare, Phyllis Rogan, Jack Schamel, Ann Hayes, Bonnie Chollet, Mike Muldoon and Pat Silvernail. The meeting opened at 6pm.

UNPAID BILLS: Mr. Hare moved, seconded by Ms. Dworkin to approve the Unpaid Bill lists dated 5/1/16 – General Fund - \$20,385.38 and the Grant Fund - \$1,458.62. VOTE: Unanimously Approved.

<u>President Report.</u> Mr. Roberts reported that Mr. Wolan met with representatives from the Chemung County Board of Elections. The legislative session ends in a few weeks and draft legislation will be written addressing their concerns and once finalized will be sent through NYS Division of Library Development in time for the fall legislative session.

Director Report. Mr. Shaw reported the following:

<u>Youth Services-</u> No current staff member was selected for SML YS. We are now interviewing outside candidates.

<u>Street Painting Festival-</u> Maggie Young would like to do a "passive program" that would also promote the Elmira street Painting festival (July 9-10). The week before the festival (July 4-8) we could purchase sidewalk chalk and have it out on our sidewalk outside our doors for patrons to doodle with. Maggie will make a sign to welcome them to draw on our sidewalk and to then attend the festival that weekend. If someone writes or draws something inappropriate, we can just erase it.

<u>2017 Budget timeline-</u> will be sent out after B&F meeting.

June 1st labor management Meeting- Cancelled at the request of the union rescheduled for June 8th.

<u>RFP for Audit Services-</u> Draft has been completed. It will be sent out to the board and, after approval, be sent to auditing firms for quotes.

Beaver Dams Bookmobile Stop:

The meeting adjourned at 6:22pm. The next meeting of the Executive Committee of the Chemung County Library District will be held on Wednesday, July 6th, 2016 at 6pm in the Petrie Conference Room of the Steele Memorial Library.

Report of the June 8th, 2016 meeting of the Budget & Finance Committee of the Chemung County Library District.

Attending the meeting were CCLD board members Georgia Reynolds, John Schamel, Rick Roberts and Marge Kappanadze. Also attending was Ron Shaw, CCLD Administration. The meeting opened at 8:00am.

Mr. Shaw presented the May 31st, 2016 Financial Report to the Committee. The Report will be forwarded to the full CCLD board for its consideration.

Mr. Shaw presented the 6/8/16 Unpaid Bills Detail for the General Fund bills totaling \$57,301.28. The list includes the STLS 2nd Quarter Cost Share (\$29,367.50), a bill from Foor & Associates for services (\$4,077.00) and attorney fees from Sayles & Evans (\$2,214.50). The Unpaid Bills Detail will be forwarded to the full CCLD board for its consideration.

Mr. Roberts asked about the impact of the Office of the State Comptroller's Report on common findings in public library audits. Mr. Shaw informed the committee that initially the board will need to develop a credit card policy and a petty cash policy. Directive 620-3 Disaster Recovery is a basic document. It was drafted Connie Ogilvie, Joan Santulli, Deb Brimmer, Brian Ewanyk, Sherry Nichols, and Janet Ackerman. After reviewing examples from other libraries we will review it and make any necessary improvements.

The meeting adjourned at 8:15am. The next meeting of the Budget & Finance Committee will be held on Wednesday, July 13th, 2016 at 8:00am in the Petrie Conference Room of the Steele Memorial Library.

Report of the June 1st, 2016 meeting of the Buildings & Grounds Committee of the Chemung County Library District

The meeting opened at 5:30pm. Present were Mr. Muldoon, Mr. Hare, Mrs. Hayes and Mr. Roberts. Also attending was Ronald Shaw, CCLD Management.

The Committee received reports on the following:

<u>Bathroom Project</u> at the Steele Library. An advertisement was placed in the Star Gazette on Friday, May 27th, Saturday May 28th and Sunday May 27, 29th. The Committee will have sealed bids back to the library prior to their June meeting so the project can be awarded at the June Board meeting. A pre-bid walkthrough has been scheduled for June 9th. Mr. Muldoon stated that the timeline may be pushed back a week or two but the project should be complete close to the original timeline.

<u>Teen Section Renovation at Steele.</u> Mr. Muldoon provided the draft letter that will be sent to Cornell University Department of Architecture. The letter proposes that this project be the subject of a design studio or charrette involving Cornell university students. As the owner, CCLD would welcome collaboration and are happy to provide feedback for the design process. The intent of the project would be to design a space for teens within the confines of the library. The space shall embrace technology, research, and new ways of learning, while acknowledging the history of the traditional library. Mr. Shaw provided the committee with a copy of Mr. Muldoon's draft letter, the SML Teen Space Request, and a contractor's estimate from Elmira Structures.

<u>Big Flats Library "reading garden"</u>: The Pavilion is complete. We are still waiting to hear from the insurance company as to what "extra" coverage if any will be needed.

<u>County Buildings & Grounds</u>: No word yet on when the painters will start work on the columns at the Steele Library.

<u>Youth Services Office at Steele</u>. The project is still being worked on subject to availability of County crews. <u>Lighting Estimate</u>: Mr. Shaw met with Mr. Allington from Booth. He is working on getting the estimate for the project that will include the payback period.

<u>Facility Tour:</u> Mr. Shaw took several board members_around the building. The first stop was the LED lights so board members could see the difference in lighting. He then took them upstairs and showed the tentative location of the YA space. The project includes shelving for YA materials so they may be brought upstairs. There will also be visibility into the room so staff can monitor the room. He explained the need to shift Biographies to the end of the non-fiction section in order to make room and showed the effects of the partially completed weeding of non-fiction to prepare for the move.

The meeting adjourned at 5:55pm.

The next regular meeting of the Buildings & Grounds Committee will be held on Wednesday, July 6th, 2016 at 5:30pm in the Petrie Conference Room at the Steele Memorial Library.

Genealogy and Local History

Maggie and Sherry continue to work on long term projects and programs. Our first 6 months of tech lab sessions (brick wall busters) are over and it was a success. We had several people sign up for each one. We are scheduling tech lab sessions every month and will offer another ancestry.com and intro to genealogy class in the fall. We will begin offering one-on-one appointments with people to help get them started researching genealogy. Maggie continues with art workshops on Friday afternoons. Sherry and volunteers are indexing and we are adding indexes to website.

Nonfiction and Reference Report

Connie Ogilvie

May, 2016

In the month of May, 2016 there were 575 queries answered on the Adult Services Desk and 156 questions answered on the PC2 desk. The Nonfiction book display this month was "Celebrate Cooking." It was an opportunity to display just some of our incredible cookbook collection. This includes books about techniques for cooking and many ethnic cookbooks. Currently I am weeding the Nonfiction section, 600-629. This summer we plan to shift the Nonfiction books, to close the gaps created from weeding and start creating space for the Young Adult Collection.

Currently it is that time of year for the updates to the Consolidated Law Service books, which is literally three boxes of updates. It is a chance for me to shift and review the placement of all these volumes.

these items made possible from donations given from library patrons and remaining funding from the !nspire grant received for the Open Art Studio.

Professional Readings:

Armstrong, S. (2010). *The essential performance review handbook: A quick and handy resource for any manager or HR professional*. Franklin Lakes, NJ: Career Press.

Discusses how performance reviews serve as an important business tool; motivate personnel and increase productivity; help achieve your company goals; improve manager-employee communication.

Reduce your risk of legal liability.

Bruce, A. (2005). *Perfect phrases for documenting employee performance problems*. New York: McGraw-Hill.

Provides tools for precise, effective business communication. Discusses ways to enhance customer service in any business; dialogues and scripts to practice interactions with customers or employees; answers to a wide range of interview questions; tips for documenting performance issues and conducting face-to-face reviews. Provides a quick-reference tool to find effective ways to document performance problems and then be able to offer practical, helpful feedback to those individuals.

Ferguson, R. (2014). *Finally! Performance Assessment That Works: Big Five Performance Management*. Charleston, SC: CreateSpace.

Proposes a new way to gauge employee performance; conventional approaches try to link individual goals to lofty corporate goals that are difficult to relate to for the average employee. Discusses the fact that today's rapidly changing business environment means goals are seldom reliable for an entire year. Companies that put faith in metric-based systems to track performance overlook how easy it is to manipulate the scores, not to mention the fact that numbers don't always tell the whole story. The book highlights two basic questions- "what were your five most significant accomplishments from last month, and what are your five highest priorities for next month?" Suggests a brief monthly report from employees as it focuses on priorities, delivers timely feedback and holds employees accountable. when faced with the nettlesome task of confronting an employee who isn't performing up to snuff. Hampel, B., & Lamont, E. (2011). *Perfect phrases for new employee orientation and onboarding: Hundreds of ready-to-use phrases to train and retain your top talent.* New York: McGraw-Hill.
